KidMail

June 6, 2018

Dear MGC Family,

This is the **last KidMail** for this school year – I can't believe it! Don't forget that we **dismiss at 11:30 both tomorrow and Friday**.

Thank you to everyone who contributed to this **great school year**. I appreciate all that our **wonderful teachers** do every single day for our students – we are blessed to have such highly qualified and devoted teachers. Ms. Denise and the **ECP staff** works diligently to provide quality before/after-school and summer programs for our kids. What an important service they provide! Ms. Wolf provides for the social/emotional needs of our children, Mrs. Berthold makes sure everyone is greeted with a smile when they enter our front doors and provided with MaGiC ice and band-aids, Mrs. Delgado makes sure everyone has their School Choice paperwork in order, Mrs. Klug and Mrs. Zouine who make sure our children are well-fed every day, and Mr. Delgado and all of his team members who work so hard to maintain our grand old building. Each and every **staff member** works tirelessly to make certain that everything is exactly as it should be here at MGC! If you have a chance over the next couple of days, please express your **appreciation** to these individuals who bless MGC every single day!

Thank you to our **school parents** who have chosen MGC for their families and who volunteer in so many ways! I know that many of you make sacrifices so that your child is able to be here on time every day. It truly does make a difference!

Thank you, as well, to our **great students!** We are proud of our MGC students! Whenever we take them outside of the school, we hear about how well behaved and respectful they are! That is exactly what we want to hear!

I pray that everyone enjoys a **fun and safe summer!** Please make sure that your children are **reading every single day** – it honestly makes a difference. Don't miss an opportunity to **practice those math skills as well** – while driving in the car review math facts. I have shared a list of things for kids to consider before grabbing for an electronic device (phone, tablet, etc.) I encourage parents to support this.

We still have a **few openings for next year**. If you know of someone who is still looking for a school, please have them contact me immediately.

I look forward to welcoming you back in August. Make sure that you have reviewed the 2018 - 2019 school calendar that we sent home last week and that you can find on our website. The supply list will be posted within the next couple of weeks. Packet pick-up is Wednesday, August 15.

I am here for most of June, some of July, and most of August. You may reach me through e-mail or phone.

Faithfully,
Regina Shaw
Principal

Summer Camp

Did you know that MGC's Extended Care Program (ECP) offers a full-time summer camp experience for school age children? This is a great opportunity for children to experience many different field trips and have a great time with friends in a safe and nurturing environment. Please contact Ms. Denise Schienke at ext. 123 or schienke@mgcparish.org. Registration forms have been sent home, and they are available on the MGC website (www.mgcparish.org).

Child Tax Rebate

Have you applied for your \$100 per child Wisconsin tax rebate yet? If not, please log on to: https://childtaxrebate.wi.gov/_/#1 to do so. This expires in July so don't wait!

Used Uniforms!!!

If your student has outgrown his/her school uniforms before they have worn out, please consider sending them to school for our **Uniform Re-Sale** that we will offer in August during Packet Pick-Up. You will have the opportunity to sell items for your own profit, or you may donate the items to Home & School. Please use *safety pins* (no stick pins or staples) to tag *clean* clothes with the information shown below. If you would like to be paid for your own sales, fill in the “seller” form with your name; otherwise, mark seller as “H&S” and MGC Home & School will profit from the sales. Please try to indicate size and “girls” or “boys” when known. You may fill in the price you are asking, or just leave blank for H&S donations. We recommend the following prices: Plaid uniform jumpers \$15; Plaid uniform skirts \$10; MGC fleece and sweatshirts \$5-\$10; pants and shirts \$2-\$5, depending on condition. If clothes are too worn or faded, have stains that did not come out in the laundry, or do not meet our dress code guidelines, please do not send them in. Refer to our school handbook if you have any questions about the uniform policy. Any items that do not meet our dress code will be donated to St. Vincent de Paul Society. You may send in your items before the last day of school or set them aside and keep until August. We will send out a reminder later this summer.

Registration for Next Year-School Choice

For those children who are returning to MGC next year, the process is quite easy. Parents simply log-in to their DPI account, complete the form, and then send us an acceptable proof of address. There is a link under “School News” on the MGC School website. Please contact Sandy Delgado (ext. 120) if you have any questions. If you did not register or get your supporting documentation to us during one of the earlier Open Enrollment Periods, you must re-register in June and get the documentation to us **by June 20**. We cannot hold seats for returning students, and we have many new students already registered. Please do not lose your child’s seat at MGC!

Summer Tutoring For Your Child

Mrs. Janice Hauf, a certified elementary school teacher with over 30 years of experience, is available to help your child. She will work with any level from kindergarten to eighth grade, any subject needed. Please take this opportunity to keep your child sharp and confident. Kindly call the school office with your name and phone number.

MGC's Website

Have you checked-out MGC's website (www.mgcparish.org)? If not, please do so. You'll find a great deal of information about our church and school. AR Information

Accelerated Reader is an important part of our school reading curriculum. Students earn points by successfully taking AR tests. They may redeem those points at the AR Store if their score is 85% or higher. Students must reach their goal and achieve accuracy of at least 85%. Anyone who fails to meet these minimum expectations will attend AR detention for the next quarter.
