MRS. LANDOLT'S February Newsletter

It's February! We will talk about Groundhogs Day and shadows. We will take a vote to see if we think the groundhog will see his shadow. Then a class graph will be created based on their answers. Continue to practice tracing your name!!

We continuously work on less tattling, following directions, listening, and sharing. Please continue to work on these skills at home, too. It will help your child grow and become a polite, social person.

I have seen many improvements with the children so please continue this at home as well.

**Happy Valentine's Day!!**

Sincerely,  
Mrs. Landolt & Miss Mindy
