February 2018

Blessings! Here is what we are doing in our classroom this month.

Science- As a part of our study of Black History we will discuss some of the many contributions that African-Americans have made to both science and society. We will also explore good dental health practices.

Social Studies- In our study of Black History we will examine individual and cultural differences and identify prejudices.

Math- We will begin the process of subtraction. We will also explore counting to 100 as we celebrate the 100th day of school on February 8.

Religion- As we learn about the Catholic Church we will recognize the significance of the Christian symbols of water, candles, and the cross.

Reading- The new words for this month are: with, will, want, to, sat, sit, she, had, if, this. The new letters for this month are: Hh, Ll, Gg and Ee.
