

Mrs. Gordon's K5 Newsletter

Welcome to the second month of K5. We are off to a great start this year! Here is information about what we will learn in October and what is coming up for our classroom and school.

Science: We will learn that pumpkin plants have stems, roots, leaves, flowers, and buds. While studying the life cycle of a pumpkin, we will see how pumpkin seeds sprout.

Social Studies: We will discuss fire safety. A presentation by fire fighters will be scheduled this month. We will also learn about safety near cars and on the street. We will compare the seasons and their affect on people. We will also learn about Christopher Columbus and his voyage across the ocean.

Math: We will represent, count, and write the numbers 6 to 9.

Religion: We will learn the Hail Mary prayer and recognize the rosary as a special prayer to Mary, the mother of Jesus. We will also learn about St. Francis.

Reading: We will learn the sounds for the letters T, A, and P. We will learn the high frequency words I, is, at, a, am, little, like, my, the, have. Look for flash cards of these words at the end of the month.
