TILE AND BRICK CAMPAIGN

"Inch by Inch, Foot by Foot"

A Message from our director of maintenance

“Our Gym Roof is the most urgent job to be done here at Mother of Good Counsel. Day by day in the rainy days the leaks damage the walls, ceiling tiles, iron lintels, and hardwood floors. Our roofing company gave us an estimate of around \$88,000.00.”

A Message from our Principal

“Mother of Good Counsel’s gym has been home to thousands over the past several decades. Still today, our own students participate in PE classes - still with Mr. V (Versnik) who’s celebrating his 29th year at MGC. In addition, 4th-8th graders learn the value of being part of a team through basketball. The season runs for five months and brings great joy to the lives of MGC students as well as those from area schools without a gym.

We need your help in order to continue serving our current students as many of you, or your children, were served. Our grand old gym desperately needs a new roof, and our score boards are no longer functioning.

Please help us to continue our mission. As I celebrate my 28th year here, I am looking forward to the future of MGC. Please join me!”

- Regina Shaw, Principal

A Message from Our Priest

“Dear Friends, I humbly ask for your help with this roofing project. Our school gym has served many over the years. We want to keep it in great condition. Please help us in whatever way you can so that our gym may continue to be enjoyed by many over the years to come.”
